

The Arlo collection is a sophisticated lighting ensemble characterized by clusters of transparent glass spheres that showcase an intricate interior mesh design. These spheres are ingeniously illuminated at both the center and bottom using cutting-edge LED technology, creating a captivating and contemporary lighting effect. The combination of modern design and advanced lighting technology in the Arlo collection offers a stylish and visually striking addition to any space. 6 light cluster type chandelier shown - available in a larger 8 light as well. (This model is height adjustable with rods included)
